RIF Read and Feed M, W, F @12:30 We are offering a RIF (Reading is Fundamental) program in conjunction with our Summer Meals program. Students will meet every Monday, Wednesday & Friday after lunch & will explore new books & topics every week. **Registration is required & space is limited.**

Summer STEAM Mondays @ 10:30 Let the fun begin! We will combine science, math, art & engineering for some cool crafts & experiments, along with some special guests

Storytime Wednesdays @ 10:30 A relaxed time of stories, crafts, & playtime

Short Story Theater Thursdays @ 1:00 Join us for this eight week program with blends story writing & dramatic readings! Students will learn how to write & edit their own short story & then the class will get a chance to record their stories! Everyone who participates will get a copy of their recorded story. This program is open to ages 8 -12 & **registration is required.**

Around the World Food Tastings 6/21, 6/26, 7/5, 7/10 @ 11:00 Enjoy trying food from around the world! Open to elementary age children, this program will introduce children to foods from four different countries. For every country you "taste" you get your passport stamped!

Snack Art 7/19, 7/26 @ 11:00 Come play with your food! Children learn how to use food from the MyPlate groups to create edible "snack art". By creating animal faces & other objects out of food, they will discover a fun & appealing way to eat more fruits, vegetables, & whole grains. Open to children ages 6 - 12

Jump Bunch! 6/28, 7/12, 8/2 @ 10:30 Have fun & get moving with this sports & fitness program for kids!

SUMMER EVENTS

6/12 11:00 Cascading Carlos The Juggler Cascading Carlos clowns around and has a lot of illusions in his juggling show. You will be amazed by his juggling skills, while he also teaches you how to juggle.

6/19 11:00 Magician Ran'D Shine This fast, fun and amazing show features Master Magician Ran'D Shine as he performs from his favorite books that he keeps in his box. During this highly interactive show, Ran'D will perform tricks not seen anywhere else in the world! Ran'D Shine was named 2016 Magician of the Year and was invited to perform at the 44th Presidential Inauguration.

6/28 2:00 New Moon Theater presents "UNEXPECTED HEROES: INDIA TALES" The audience will meet quick-witted and kind-hearted heroes who help others while helping to transform their lives. The interactive stories performed in "Unexpected Heroes: India Tales" shed light on the beauty of the Indian subcontinent.

7/9 10:30 Abbott's Mill Nature Center Presents "Learning About Rocks" Abbott's Mill will introduce Petrology and the children will learn about the different types of rocks.

7/12 2:00 Miss Nina Presents "Rap, Rock, and Read" Miss Nina will have you jumping and moving to fun tunes with amazing beats that will have everyone clapping, stomping, shaking, dancing and wiggling! All this is combined into a high energy, interactive music performance. Miss Nina is a YouTube star and three-time winner of the Parent's Choice Award!

7/17 10:30 DASEF Presents "Science Rocks the Library" Sounds are all around us - loud ones, soft ones, harsh ones, pleasant ones. Bring your child to the library and they'll learn about how sounds are made and how we hear them. You and your child will play a guessing game with shakers, make the water in a bowl dance and splash, experiment with the sounds that a straw can make and listen to a squawking chicken! You'll also test our Boomwhackers - plastic tubes tuned to specific musical notes. Science and sound go together like rock and music!

8/1 2:00 Baba Bomani "Rock the Mic: Hip-Hop and Literacy" an interactive performance that features music videos, multi-media presentations, call and response, and rhythmic movement that will involve the entire audience. The audience will rap along to original, professionally released music by Bomani. Bomani Armah, a poet with a hip-hop style, has introduced hip-hop as a literacy teaching tool to audiences, students, and educators for the last five years and he has partnered with organizations including the Kennedy Center for the Performing Arts CETA Program.

WHY IS SUMMER READING SO IMPORTANT?

Helps develop and maintain reading skills and literacy levels during the summer. Kids who participate have a better retention of skills once they return to school than those who do not.

Provides programs, classes, and entertainment as a free service, and is open to the entire community.

Welcomes children of all reading levels and abilities.

It is one of the library's most direct ways to contribute to education.

Coincides with our mission statement to encourage lifelong learning and a love of books in any form.
